ABOUT FORGE RECRUITMENT

Forge Recruitment is a specialized recruitment and staffing firm. Canadian owned and operated, Forge Recruitment focuses on partnering and connecting those within the Legal and Accounting & Finance sectors in the aim of brokering long-term and fruitful relationships and giving your business that competitive advantage it needs. Forge Recruitment strives to be a trusted and dependable search partner. We take a consultative approach to each search and work to provide our clients not only with strong relevant candidates but also the market information and recruitment guidance they need to make a successful hire. We appreciate that hiring the right person can be a very challenging process. With each of our searches, we will work with you to ensure that we are making the best fit.
